2020 ANNUAL REPORT

CCOC
CLAYTON
CHAMBER OF COMMERCE
ADVOCATE • COLLABORATE • INNOVATE

Letter from the President/CEO

Dear CCOC Investors,

As the President/CEO of the Clayton Chamber of Commerce, I have never been prouder of this staff, our volunteers, and the business community of Clayton. There was not one business or person that did not face challenges, changes, and even devastation in some cases due to this 2020 pandemic. I witnessed layoffs, furloughs, temporary and permanent closings, shut downs, loss of revenue, and many others of which your Chamber was certainly not immune. But I also witnessed determination, resilience, collaboration, community support, innovation, perseverance, adaptation, new business openings, and exciting plans for future growth. Zoom has become a noun, verb, adjective, and a new way of conducting business.

The Clayton Chamber of Commerce, while facing its own challenges, was still able to sustain a strong path of growth, continue to work towards many of our strategic goals, and provide valuable resources to our investors. Some of the key highlights of 2020 include:

- The newly formed Clayton Chamber Foundation created the Small Business Recovery Grant Fund and distributed \$27,000 to 15 small businesses in the Clayton area.
- The Clayton Chamber of Commerce's Economic Development Committee's Community Highlight video titled "Think Clayton", which was released at this meeting last year, won a Communication Excellence Award from the Carolina's Association of Chamber of Commerce Executives.
- State, regional, county, and local partnerships continued to work toward initiatives including responsible growth, infrastructure, business attraction and retention, workforce development, and education. New partnerships and initiatives were formed.
- CCOC's Legislative and Governmental Affairs Committee led the charge this election season by completing a voter resources webpage stocked full of important information surrounding voting, creating a political forum video titled "Platforms at the Podium" which featured candidates and their platforms for local county and state races, and completing a county-wide "Get out and Vote" campaign. Our goal was to inform and educate.

- Behind the scenes, the Clayton Chamber continued to represent this business community through many different local, regional, and state organizations or events
- CCOC was also able to review our investors' needs and add new benefits for all CCOC investors, including the brand-new Clayton Job Board located on our website.

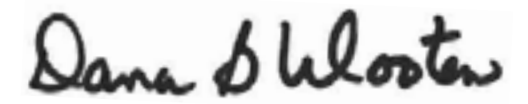

As the recovery process continues, The Clayton Chamber of Commerce continues to keep its hand on the pulse of our business community and provide updates and resources as needed. In 2021 we are going to **REACH** to new heights.

R.E.A.C.H (Recharge, Enlighten, Adapt, Champion and Highlight):

- **Recharge** - Heading into the new year, the CCOC Staff and Board of Directors are motivated and ready to do all we can to support our investors. In 2021, we will work to **recharge** and invigorate our community and local businesses.
- **Enlighten** - We will continue to **enlighten** our community to the benefits of shopping local and the importance of investing in Clayton.
- **Adapt** – No doubt, everyone **adapted** to a new way of living in 2020, but CCOC knows that our job is not over, and we will continue to be flexible and innovative in 2021.
- **Champion** –CCOC will relentlessly **champion** our business community and all things related to our mission including economic development, workforce development, and education. We will continue to advocate, collaborate and innovate.
- **Highlight** –CCOC will continue to be a local source of information and **highlight** the great work of this business community and all the wonderful amenities Clayton has to offer.

I encourage all businesses in Clayton to help us **REACH** in 2021. Together, we will be able to continue stretching to new heights. Learn more about the initiatives of the Clayton Chamber of Commerce in this Annual Report.

Sincerely,

CCOC President/CEO

2020 AMBASSADORS

In 2020, our CCOC Ambassadors volunteered their time to help staff support their fellow CCOC investors. Our Ambassadors' primary programs of work in 2020 included attending new investor Ribbon Cuttings, Outstanding Business of the Month presentations, and networking events, even when virtual; reaching out to new and existing CCOC investors to gather input; and completing a monthly Cash Mob for one lucky CCOC investor. Our Ambassadors' work in the community was vitally important during 2020 when connecting with others was more challenging. We cannot thank the Ambassadors enough for their assistance in supporting our Clayton Business Community in 2020!
